B. NOTIFICATION OF ELECTION FOR PAYEES OF NONPERIODIC PAYMENTS

For non-periodic payments, the default withholding rate is 10%. You can choose to have a different rate by entering a rate between 0% and 100% in the space below. Generally, you can't choose less than 10% for payments to be delivered outside the United States and its possessions. If you elect not to have withholding apply to your distribution payments, or if you do not have enough Federal income tax withheld from your distribution, you may be responsible for payment of estimated tax. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient.
